1 Independent financial advice

The Financial Conduct Authority (FCA) regulates financial services in the UK and you can check our authorisation and permitted activities on the Financial Services Register by visiting the FCA's website www.fca.org.uk/firms/systems-reporting/register or by contacting the FCA on 0800 111 6768.

Scrutton Bland Limited are independent financial advisers. We provide financial planning advice, which embraces investment, pension, tax and life assurance issues. When we recommend products we consider impartially the products of relevant companies on an unrestricted basis. We recommend whatever course of action we consider to be in our clients' best interests.

Not all financial advisers are independent. However, we are totally unbiased and unrestricted. Our advice is based on a comprehensive and fair analysis of the relevant markets and we are impartial as our focus is on advice.

You should be aware that investments carry varying degrees of risk and as their underlying value can fall as well as rise, you may not get back the amount invested.

2 Classification of clients

Unless we notify you in writing to the contrary, we will be treating you as a "retail client" for investment business. This means that you are afforded the highest level of protection under the regulatory system and have the right to take any complaint to the Financial Ombudsman Service.

Any advice or recommendation that we offer to you will only be given after we have assessed your needs and considered your financial objectives and attitude to any risks that may be involved. We will also take into account any restrictions that you wish to place on the type of products you would be willing to consider.

We will confirm to you in writing the basis of our recommendations along with details of any special risks associated with the products recommended.

In order to comply with the requirements of the Financial Conduct Authority, we treat our business clients as if they

were retail clients. This means that we undertake a greater obligation of disclosure and communication of risk than would otherwise be necessary, but it does not necessarily mean that business clients will benefit from the Financial Ombudsman Service.

3 Our charges

We provide you with an initial consultation free of charge. This helps us to understand your financial objectives and will confirm how we can support you in working towards these. We will also discuss the cost, and levels, of our services both initially and throughout our relationship with you.

If at the end of this meeting you decide not to proceed no fee will be payable. If you proceed in appointing Scrutton Bland Limited then this meeting will form part of the advice process and will be chargeable.

Summary

- A** Advice, administration and implementation – time based fees.
- B** Review of funds under advice – based on the total value of funds under advice and detailed in section 15.2.

Detail

- A** **Advice, administration and implementation** – all advice, administration and implementation work undertaken on behalf of a client, other than our annual review service, is charged by time based fees.

Once a piece of advice and/or administration has been completed, i.e. a report issued or administration matter concluded, then Scrutton Bland Limited will seek payment for this completed work. If advice involves implementation of financial products/investments, then our fee is VAT exempt. If our advice does not involve implementation of financial products/investments, then our fee is subject to VAT.

You may instruct us to take our fees from any financial products arranged via a third party. If this is not possible then we will invoice you direct.

Our hourly rates are reviewed annually on 1 April each year and the current hourly rates are set out under section 15.1 of this document.

If you do not implement the advice within 30 days we may seek full payment through issuing an invoice. We reserve the right to charge interest at the rate of 2.5% per month on any invoice unpaid after 30 days.

Expenses

Our standard hourly rate charges include some normal incidental expenses such as the cost of telephone calls, routine photocopying and travel time. However, there may be circumstances where in carrying out your instructions we need to incur other expenses such as travel, room hire and external consultancy costs. In these cases we will seek to recover these from you in addition to our hourly fee rates. Where this applies we will notify you in advance and confirm your agreement.

B Review of Funds under Advice

When we advise on portfolios of investments, we offer to keep these under review and to provide periodic reports/meetings, which enable you to see the progress of your investments by comparing the initial portfolio with the current portfolio. At these periodic reviews we may suggest for your consideration any changes which we consider may be desirable in the light of stockmarket or taxation factors or changes in your personal circumstances or objectives (including possible changes in attitude to risk). However, implementation of any such changes will depend upon our receiving your instructions. Our charge for this service is calculated based on the current value of the funds under advice as detailed below.

Funds under advice excludes capital held on cash deposit.

Any trail commission that continues to be paid to us post 1 January 2013 will be offset against these annual fees and any balance outstanding will be collected from your funds under advice as Financial Adviser Remuneration. If this is not possible, then a fee invoice will be raised to meet our outstanding costs.

We provide various review service levels and the level of service each client receives is determined by the value of funds under advice. These levels of service are described in detail in our Review Service Schedules provided to you at outset, copies of which are available on request. The review service levels are:-

Bronze Review Service
Silver Review Service
Gold Review Service
Platinum Review Service

Any work carried out over and above these service standards will be charged for on an hourly rate basis as per fee schedule.

Should you wish to cancel our agreement to provide on-going services you can choose to cancel this at any time by providing us with 28 days written notice of your decision.

4 Investment certificates and policy documents

We arrange for all investments (certificated and uncertificated) to be registered in the names of our clients or such nominees as they may instruct. Any investment certificates or other evidence of title to investments which we may receive will be forwarded to you or, if so instructed, your legal advisers for safekeeping.

5 Identity Theft

In order to preserve the confidentiality of your information and to protect you against the risk of identity theft, we may ask you to advise us if you wish to receive information which is personal to you by telephone or in other ways. If you do wish to receive information in this way, we may ask you for special identifying information, such as your mother's maiden name.

6 Data Protection Act

We are required for the purposes of the anti-money laundering regulations to verify the identity of our clients and one of the ways in which we might do this is to access electronically information held in the public domain. In order to facilitate our communications with you and our administration of your affairs, we will seek your consent to our recording your relevant personal information on our computer system. We will supply to you, at your request, a copy of the data relating to you and will provide you with a description of the data and the purposes for which it is processed, and with details of the source of the data and any potential recipients of the data.

If we communicate by email, you acknowledge and agree as follows:
 - i) there are some delivery risks in using electronic mail and you accept the risk of interception by third parties or of non-receipt or delayed receipt of the message
 - ii) computer viruses and similar damaging items can be transmitted through emails and by introducing portable storage media into your system; we use virus scanning software to reduce these risks

- and ask that you do the same; however, it is not possible completely to eliminate the risk of introducing viruses

10 Conflict of interest and Ownership

In the event of any conflict arising between our own interests and yours, we will disclose all the relevant facts to you and if appropriate we may decline to act for you, if the conflict of interest means that we are not able to demonstrate that we will be acting in your best interests. The majority of the share capital of Scrutton Bland Limited is owned by the partners of Scrutton Bland.

11 Compensation

We are covered by the Financial Services Compensation Scheme, which is designed to protect private individuals and small businesses. Exchange Traded Funds (ETFs) are **not** covered by the FSCS.

12 Disclaimer

No responsibility can be accepted by us for (i) any action taken without our involvement or (ii) any advice given by referring solicitors or accountants, whether in a joint meeting with us or otherwise.

15 IFA Department Fee Schedule – 2016/17

15.1 Implementation Fee

Our initial fee to cover the cost of the cash flow analysis, risk assessment, financial planning advice, strategic asset allocation and the transfer and re-registration of assets onto the Investment Platform is charged for on a time costed basis. You have the option to have the fee taken directly from the Investment Platform once all the relevant assets have been transferred or re-registered and any new investment cash has been applied to your account. If you would prefer to settle this fee separately, we will invoice you directly for the relevant charges.

Our current hourly rates (reviewed annually on 1 April) are:

| | |
|---------------------------|------|
| IFA | £230 |
| Technical Paraplanner | £100 |
| Administrator Paraplanner | £70 |

15.2 Annual Fees - Scrutton Bland Limited Review Service

The annual fees to cover the cost of regular review meetings, asset allocation advice, portfolio rebalancing, investment bulletins and ongoing financial planning advice, are based upon the total invested assets held and where possible are deducted monthly from these assets. Please note, the amount charged in respect of the review service will go up and down in accordance with the value of the invested assets. This increase, or decrease, in value may also trigger a movement between the different service categories e.g. silver to gold.

Our standard annual fees for most products are calculated on a tiered basis as shown in the following table:

| Total Assets held on Scrutton Bland WRAP | Annual Service Fee (Tiered) |
|--|-----------------------------------|
| £0 - £100,000 | 1.00% on the first £100,000 |
| £100,001 - £200,000 | Plus 0.65% on the next £100,000 |
| £200,001 - £500,000 | Plus 0.60% on the next £300,000 |
| £500,001 - £1,000,000 | Plus 0.50% on the next £500,000 |
| £1,000,001 - £2,000,000 | Plus 0.45% on the next £1,000,000 |
| £2,000,001 and above | Plus 0.10% on the balance |

| Total Assets held on Scrutton Bland WRAP | Max. Annual Service Fee |
|--|-------------------------|
| £0 - £100,000 | £1,000 |
| £100,001 - £200,000 | £1,650 |
| £200,001 - £500,000 | £3,450 |
| £500,001 - £1,000,000 | £5,950 |
| £1,000,001 - £2,000,000 | £10,450 |
| £2,000,001 and above | - |

For example, if the total assets held amount to £150,000, the Annual Service Fee would be 1% of the first £100,000 plus 0.65% of the remaining £50,000, giving an Annual Service Fee of £1,325.

For some historic clients, a different ongoing charging structure may apply. This is often a flat rate of 0.5%, creating an Annual Service Fee of £750 for assets of £150,000. However where this is the case, other product or fund charges may be higher.
